f. 151v In the lower corner of the text, a note to correct the mistranscription, "transposicio; reverte iiii folia" with a lozenge-shaped tie mark. The contemporary foliation on the recto of this leaf also points the reader to the correct order of reading.

f. 155 Another tie mark, as a circle surrounding a cross, in the upper corner of the text; in the present binding (and/or with the mistakes in copying), this f. 155 faces f. 151v, since the foliation was inscribed with the correct reading order. Change of hand.
